MEDICAL.

CONSUMPTION prevails, as matters are, and picus off the best and pretilest of us, in our prime. In this state of things we must do the best we can, rice and patch up the web of life with journeys, voyages, and medicines. Of all the medicines we know of, Dr. Wistar's "Balsam of Wild Cherry" is what we first recommend. We have in our office a living proof of its efficacy, who but for it, would have been beneath the sod long ago. The haventor of this medicine, Dr. Wistar, was a man of actence, of humanity, and undenthedly prepared the remedy in its best form, and the public may rely upon Mr. Fowle for the genuine article.

To FAMILIES.

SFrom the great usefainess of this medicine, the proprietor would especially recommend it as a general Family Medicine, and advise every family to keep it constantly on hand, as it will not only be found much superior to the Cough Mixtures in common use, but likewise much more safe for either children or adults.

It not only emenates from a regular physician, but has also been well tested in all the complaints for which it is recommended. It is not my intention, therefore, either to cloak it in mystery, or in any way deceive the public by overrating its virtues; on the contrary, I shall simply endeavor to give a brief statement of its usefulness, and flatter myself that its surprising efficacy will enable me to furniah proofs of its virtues, as will santly the most incredulous, that Consumption may and "CAN BE CURED," if this medicine be resorted to in time.

Be careful and get the genuine DR. WISTAR'S BALSAM OF WILD CHERRY. None genuine, unless signed by I. BUTTS. Address all orders to SETH W. FOW LE, Boston, Mass.

For sale by A. B. & D. Sands, 100 Fulton-st., corner of William-st.; by Haviland, Keese & Co., 20 Maidlen-lane; by William Barger, 33 Corthand-st, by Rushton, Clarke & Co., 16 Astor House and 273 Irving House, Broadway, New. York; and by Druggists generally everywhere.
